AMA PRA Category 1 - Non LMH Offered CME

AMA PRA Category 2 Credit™

Category 2 CME credits are not designated by an accredited provider so education hours must be self-reported by physicians. For ease of record keeping or if audited throughout your license period, utilize the below table for tracking any Category 1 - Not offered by LMH and Category 2 CME hours that you want to self-claim.

For a list of your *AMA PRA Category 1™* Credits offered through LMH, contact Jessica Adamson, CME Coordinator at 220-564-4013 or via email at jadamson@lmhealth.org.

According to the American Medical Association (AMA), "continuing medical education (CME) consists of educational activities which serve to maintain, develop, or increase the knowledge, skills, and professional performance and relationships that a physician uses to provide services for patients, the public or the profession."

For medical license renewal in Ohio, the State Medical Board requires a total of 100 CME credits in a 2 year period. At least 40 of the 100 credits of CME must be earned in Category 1, and the total 100 credits may be Category 1. However, 60 credits of the required 100 can be self-claimed as Category 2.

AMA PRA Category 2 Credit™ is defined as all educational activities not designated for Category 1 that: 1) comply with the AMA definition of CME; 2) comply with the AMA ethical opinions on Gifts to Physicians from Industry and on Ethical Issues in CME; and 3) a physician finds to be a worthwhile learning experience related to his/her practice. AMA PRA Category 2 Credit™ may be self-claimed for activities such as, but not limited to, teaching residents, reading authoritative medical literature, and consultation with peers and medical experts.

More information on the AMA's Physician Recognition Award and CME credit categories can be found on the AMA's website at www.ama-assn.org under Education. Click on Continuing Medical Education, then CME Provider Resources.
