

### To Schedule a Speaker:

To schedule a speaker, call the LMHS Public Relations Department at (220) 564-1572. When calling, please be prepared to provide the following information:

- Name of group or organization
- Contact information, phone number and return address (for confirmation)
- Date, time and location of presentation
- Presentation topic
- Number of estimated attendees for event

Due to physician and clinical staff schedules, requests should be made at least six weeks in advance to reserve a speaker for a specific topic. Every effort will be made to accommodate your request. Please have a second option for a topic in the event that your first choice cannot be covered.
