Mission: *Licking Memorial Health Systems Exists to Improve the Health of the Community.*

Slogan: *Measurably Different ... for Your Health!*

Vision: *To be the best community healthcare facility in the state of Ohio.*

A Message from the President...

Licking Memorial Health Systems' (LMHS) mission to improve the health of the community is the foundation for the services we offer and the support we give to local organizations. LMHS provides quality healthcare services for Licking County residents at Licking Memorial Hospital (LMH), three Urgent Care locations, numerous family practice and specialty offices, clinics, and physical therapy and wellness facilities. In addition to healthcare services, LMHS hosts events, educational programs and activities that promote healthy lifestyles and offer valuable resources.

In 2019, LMHS once again completed a major expansion project. The addition to the Licking Memorial Medical Campus, located at 1717 West Main Street in Newark, mirrors the original design of the building and is the new location for our Dermatology, Gastroenterology and Gynecology practices. A larger area also was created for the Wellness Center and Rehabilitation Services. With the additional space, the Wellness Center can offer more equipment and allow more residents to participate in the Wellness Exercise Program, which is available via physician referral at no cost to individuals, aged 60 or above, with a chronic health concern or a severe weight problem. Participants are monitored by Licking Memorial Community Case Management team members and also may speak with a dietitian, registered nurse, personal trainer, pharmacist or social worker to discuss wellness needs.

Also new in 2019, the LMH Development Council hosted three resource fairs to provide information on topics important to community health and wellbeing. The first event, Caring for Aging Parents – A Resource Fair, was held in August. Approximately 350 people attended the event to gather information from area vendors about the resources available for seniors. Information booths, which filled the LMH First Floor Conference Rooms and the John and Mary Alford Pavilion, included care facilities, healthcare information and information on healthy living.

In September, expectant mothers, fathers-to-be and grandparents were able to browse information displays at the first Preparing for Baby – A Resource Fair, and in November, grandparents caring for their grandchildren were invited to visit the Kinship Care – A Resource Fair for Grandparents Raising Grandchildren event. The intention of all three events was to offer a single location where Licking County residents could find the assistance they need to care for their family members.

In addition to the new events, LMHS continues to offer many programs free of charge that provide education and other tools to help patients understand how to care for their bodies and various health conditions. Participation in the Active•Fit and Active•Senior programs has increased greatly over the past year. The programs promote healthy lifestyles for children, ages 6 to 12, and adults, ages 60 and older, through various goals which are documented online. We also provide financial support and other resources to hundreds of local organizations for programs that encourage residents to make positive changes for better long-term health. (For a detailed list of LMHS-sponsored programs, please see “Community Outreach” on pages 18 to 22.)

LMHS has more than 2,000 employees who are dedicated to the residents of Licking County. We offer and support programs that educate and encourage healthy lifestyles because we are keenly aware that our patients also are our family, friends and neighbors. This 2019 LMHS Annual Report summarizes our services, programs and activities throughout the year that substantiates our dedication to our mission of improving the health of the community.

Boards of Directors

Licking Memorial Health Systems Board of Directors

The Licking Memorial Health Systems (LMHS) Board of Directors oversees all aspects of LMHS' three corporations: Licking Memorial Hospital, Licking Memorial Professional Corporation and Licking Memorial Health Foundation. As volunteer community leaders, the Board Members serve to ensure LMHS provides the best care and services available.

Licking Memorial Hospital Board of Directors

In 1898, a small group of dedicated women opened a nine-bed Hospital with donated furnishings in a converted house at 154 North Third Street in Newark to meet the needs of the community. After many evolutions throughout the past century, Licking Memorial Hospital now stands on West Main Street with 227 beds and state-of-the-art technology ready to serve the community. Today, like their predecessors, our Board of Directors is made up of dedicated individuals who volunteer their time to guide the operations and policies of the Hospital.

LMHS Focuses on Community Health

Licking Memorial Health Systems (LMHS) is dedicated to Licking County residents and strives to improve the health of the community by offering top quality health care, medical specialists, physicians, staff and facilities. Beyond the care provided, LMHS fosters prevention and well-being by offering or supporting community programs, activities, clinics, personal home visits, and resources aimed at encouraging healthy choices. LMHS continues to expand throughout the county, and most recently in Downtown Newark, in order to reach as many residents as possible.

Additional medical services were added at the Gerald K. McClain Building in Downtown Newark during 2019. A Women's Health practice and Laboratory Services now are available for the convenience of those living in the area who may not be able to travel far for care. These services are in addition to the Urgent Care and Family Practice located in the building. LMHS also has been working to provide more services through the For Your Health Center at Washington Square. Residents can visit with a registered nurse, tobacco cessation counselor, social worker, dietitian or personal trainer. LMHS began offering wellness services at the Harbor Community Center located in Buckeye Lake in 2019. A registered nurse is available every Tuesday and Thursday to perform a variety of health services,

including wellness and medication education. Providing these services assists in proactively reducing the incidence of illness and injury in the community.

LMHS continues to expand resources available to the community. This year, the flu vaccine initiative, Be Wise...Immunize, was offered at two locations – Licking Memorial Family Practice – Downtown Newark and Licking Memorial Pediatrics – Pataskala. More than 400 infants and youth, up to age 18, received the flu immunization at no cost. The annual increase of participants and the need for event expansion demonstrates that local families are well-informed about the potential impact of the seasonal flu and want to safeguard their children's health.

The LMHS Sports Screening Program also expanded to the Pataskala Health Campus in 2019 providing pre-participation physical examinations, electrocardiogram (EKG) and echocardiogram heart screenings, and ImPACT baseline concussion testing to Licking County student-athletes entering grades 7 through 12, and students from C-TEC's Criminal Justice, Fire and Physical Therapy programs. A total of 469 students from 15 Licking County Schools participated in the program.

There also has been an increase in families utilizing the Fruit and Vegetable Prescription (FVRx) program. Families who qualify can receive a physician prescription to receive fruit and vegetables from the Licking Memorial Hospital (LMH) Café or tokens to purchase such from the Canal Market District in Downtown Newark during the summer. Another valuable resource being offered to the community is LMH Ride. Lack of transportation is a real barrier to good health care. Now, individuals who qualify can

be picked up at their home and transported to medical appointments.

Education is a valuable tool in assisting community members to make healthy choices. LMHS continues to offer educational programs on numerous topics to assist residents in understanding different disorders or health-related issues. This year's classes included:

- Dining with Diabetes
- Healthier for Life
- Living Well with Hearing Loss
- Chronic Obstructive Pulmonary Disease
- Adventures in Plant-based Eating
- Defeating Cancer: An Educational Dinner Event

Presentations about the given topic are offered at the classes as well as a question and answer session. These events are vital to assisting community members in making informed decisions about their own care.

LMHS continues to offer numerous programs and activities throughout the year to encourage community members to be active and connect with others. This year, LMHS offered a joint bowling event for youth and mature adults who participate in the Active•Fit and Active•Senior programs. Children, ages 6 through 12, bowled alongside seniors ages 60 or over. The event provided an opportunity for the two groups to spend time together – a great opportunity for youth and their grandparents to connect.

Improving the health of the community means offering resources and opportunities for residents to take control of their lifestyle and healthcare choices. LMHS provides as many activities and programs as possible and also supports other organizations that do the same. LMHS and its employees donate time and resources to

Sports Screening Program

Active • Fit & Active • Senior Bowling Event

the United Way, Habitat for Humanity, Big Brothers Big Sisters and The Salvation Army. Many employees also offer their expertise as speakers at area events.

LMHS is proud to be a community organization – one that contributes to enhancing the lives of those in Licking County. Embracing the written mission statement to improve the health of the community, LMHS focuses on offering a wide variety of education, activities and services to promote healthy, educated decisions about health care and wellbeing.

Changes, Enhancements and

Licking Memorial Health Systems (LMHS) continually acquires the best modern medical advances to improve healthcare experiences and outcomes for patients. Changes may be subtle and take place without public awareness. Enhancements and modifications at LMHS over the past year include:

EKOS Therapy

The Licking Memorial Hospital (LMH) Cardiology Department obtained new technology to help dissolve pulmonary embolisms. EKOS Therapy is a two-part clot-dissolving process. A catheter is inserted into the pulmonary artery by a trained physician to administer a clot-dissolving medicine called a thrombolytic. The therapy also employs the use of ultrasound energy to allow the medicine to penetrate the clot. Because the catheter is placed directly into the pulmonary artery and works with the ultrasound to dissolve the PE, the thrombolytic is utilized in a lower dose, which decreases the risk of bleeding.

EKOS Therapy

Enhanced Recovery After Surgery (ERAS) Program

LMH implemented the Enhanced Recovery After Surgery (ERAS) program, which combines simple evidence-based interventions aimed at improving post-operative recovery for patients undergoing major surgery. The ERAS program focuses on education, nutritional management, lifestyle changes to decrease smoking and alcohol intake, and utilizing alternate pain management strategies to minimize opioid use. ERAS utilizes recommended protocols for surgical procedures to create optimal outcomes for patients. These protocols are enacted when the surgeon or physician determines the need for surgery. The physician provides the patient with crucial pre-operative instructions that include the importance of tobacco and alcohol cessation, exercise, and consuming nutritious foods that will help boost the immune system. Additional protocols are completed during a preadmission testing clinic visit before the surgery date. These protocols help determine the best plan for the patient.

Medical Campus Expansion

d Technology

VersaCare Monitor System

VersaCare features an integrated program that collects data on a patient's heart rate and oxygen saturation in the blood during exercises used to assist in the patient's rehabilitation. The data can be linked to the patient's electronic health record and can be used to create a daily report to graph progress and trends. Staff members are able to spend face-to-face time with the patient gathering more personal feedback, such as how the patient is feeling, if they are experiencing pain, and if the intensity of exercise is appropriate. This one-on-one interaction is beneficial in offering the most specialized and individualized care for each patient while building trust between the staff and patient.

Medical Campus Expansion

The Medical Campus addition mirrors the original design of the building and serves as the new location for Physical, Occupational and Speech Therapy services. Licking Memorial Dermatology, Gastroenterology and Gynecology physician offices, as well as a Wellness Center, also are located in the expanded facility. The completed building is more than 66,000 square feet and employs 80 to 85 staff. In addition, an extended parking area and access road from Terrace Avenue are available.

New Testing for Cardiac Patients

LMH became the first facility in the nation to implement high-sensitivity cardiac troponin testing. Troponins are a group of proteins found in skeletal and heart (cardiac) muscle fibers that regulate

muscular contraction. Troponin tests measure the level of cardiac-specific troponin in the blood to help detect heart injury. Detection of an elevated cardiac troponin is defined as a myocardial injury. The injury is considered acute if there is a rise and/or fall of cardiac troponin values. The high-sensitivity results are available considerably faster, allowing physicians to make a more prompt diagnosis for possible cardiac patients. Within three hours, physicians can determine if a patient needs to be admitted for further cardiac care or can be discharged safely. Previously, eight hours were necessary to make this determination. Hospital admissions also are reduced as patients are not admitted unnecessarily before the final results are available. With patients moved to the appropriate areas for care more quickly, Emergency Department (ED) beds are available for additional patients, decreasing the overall turnaround time for all ED patients.

2019 Awards and Recognitions

Licking Memorial Health Systems (LMHS) and its dedicated employees, Medical Staff, volunteers, and community members work diligently every day to ensure that the community has access to excellent health care. Over the past year, LMHS received the following awards and recognitions:

- **Modern Healthcare Best Places to Work in Healthcare**
- **“A” Rating by The Leapfrog Group – Spring & Fall (7th consecutive)**
- **Top Contributor Operation Feed Campaign**
- **Fortune and Great Place to Work® Best Workplaces in Health Care and Biopharma**
- **Commission on Cancer Three-Year Certificate of Accreditation with Silver-Level Commendation**
- **Columbus Business First Corporate Citizenship Vanguard Award for involvement with Project SEARCH**
- **CHIME HealthCare’s Most Wired Hospitals for 2019**
- **American College of Gastroenterology SCOPY Healthy Living Award**
- **American Heart Association Mission: Lifeline STEMI Receiving Center Gold Level Recognition Award**

Patient Experience Testimonials

Licking Memorial Health Systems (LMHS) maintains its mission to improve the health of the community by providing excellent patient care with the latest technologies and medical procedures, as well as promoting good health through our community initiatives, such as our Tobacco Cessation Programs. Many community members have shared their appreciation for having access to outstanding healthcare resources available locally.

Jerry McClain – Heart Care

“I was driving on State Route 16 to return to my office at The Jerry McClain Companies from a lunch meeting when I experienced severe pain in my stomach and chest. I recall thinking that I had never felt worse in my entire life. When I reached the lobby, I collapsed into a chair near the entrance and passed out. I briefly remember being placed on a gurney, then I woke up in the Licking Memorial Hospital (LMH) Emergency Department (ED). A mere 27 minutes after my arrival, and 45 minutes after EMS arrived at my office, an angioplasty was performed to reopen a blocked artery with a balloon and two stents. We are so blessed to have the care I received available in our community. Hassan Rajjoub, M.D., saved my life, and I would not be here today without him. Now, I am back to doing all the things I love, even if it is at a slightly slower pace.”

Sharon Sinsabaugh – Stroke Care

“One morning in October 2018, my left arm and hand went completely numb. It seemed odd, so I started to talk aloud to myself and realized my speech was extremely slurred. Fortunately, my husband was home at the time and also recognized the severity of my speech impairment, so we immediately sought care at the LMH ED. Much to my relief, a magnetic resonance imaging (MRI) scan showed I had not suffered any permanent damage. I was admitted to the Hospital for further observation and was informed I had experienced a transient ischemic attack (TIA). Brandon Chandos, M.D., of Licking Memorial Neurology, evaluated me the next morning. Due to my history of migraines, he suggested that I have an echocardiogram to determine if there was a defect in my heart that could be putting me at risk for stroke. Dr. Chandos’ intuition regarding my chronic migraines and the connection to the possible heart defect was lifechanging.”

Evan Gentry – Respiratory Care

“After I got married, I started to think about the future, having children and wanting to be there for them. I finally understood the health risks associated with my habit of using smokeless tobacco and wanted to make a change. I met a Quit for Your Health program counselor in the spring of 2018. He was extremely supportive and stressed that in order to be successful, I needed to initiate the process and move forward at my own pace. My counselor recommended a variety of techniques to deal with cravings. Taking a walk when having a craving proved to be a successful distraction. By mid-October, I had kicked my habit. When several days had passed without a craving or tobacco even crossing my mind, I knew I had made it. Moving forward, my counselor reassured me that I could depend on him for assistance as necessary.”

Patty Carpenter – Diabetes Care

“I began seeing Kevin Graham, M.D., of Licking Memorial Family Practice – Granville, in 2018 after I was diagnosed with type 2 diabetes. Dr. Graham recommended that I attend the Diabetes Education classes offered by LMH. I am so appreciative of Dr. Graham for his care. He set me on the right track to manage my diabetes and it has really turned my life around. I learned so much through the Diabetes Education classes. Dietitian Annmarie Thacker, M.S., R.D., L.D., C.D.C.E.S., always is so encouraging and makes me feel good upon walking into the office. She knows just how to answer my questions. She guides me to eat well, enjoy foods I like within reason, and consume appropriate portion sizes. I also visit the Wellness Center three times a week now. I really enjoy exercising at the facility. I have met many good friends there. You can tell that everyone really cares for you. The staff has such a good understanding of their patients, their capabilities and the equipment. The open relationship we have is comforting and I know that they are there to help if I need it.”

Mark Mitchell, M.D. – Surgery Care

“In May, just days before I was scheduled to receive a kidney transplant, I developed a case of diverticulitis – inflammation or infection of small pouches called diverticula that develop in the walls of the intestines. The transplant had to be postponed, and it was recommended that I take action to remove the diverticula to prevent the condition from recurring. To receive the kidney transplant, I would be required to take an immunosuppressant – a medication that inhibits or prevents activity of the immune system in order to lower the body’s ability to reject the transplanted organ. If diverticulitis reoccurred while I was taking the medication, I would be at a much higher risk of emergency surgery, complications or possibly even death. I contacted Victor F. Ferrini, M.D., of Licking Memorial Surgical Services, to discuss treatment options. Dr. Ferrini and I had a great discussion about whether or not bowel resection should be considered. I was very impressed that he did his research about surgery on persons on immunosuppressants. In the end, we decided surgery would be the best option. Everyone, from registration to the pre-operation staff, was so supportive and friendly from the moment I checked in for surgery. I spent five days at LMH following the procedure and was treated with the utmost respect and kindness. I was impressed with the quality of care I received and the cheerful attitudes of the staff members who responded to my needs.”

Noah Blake – Pediatric Care

Kiera Harper, mother of 14-year-old Noah Blake, shared, “Due to Noah’s age and upcoming participation in high school sports, this was the first year that an electrocardiogram (EKG) was performed as part of the annual well-child visit. His physician recognized an abnormality in Noah’s heart during the procedure, and he was later diagnosed with Wolff-Parkinson White Syndrome. This was not something we were expecting at all. Since the fourth grade, sports have always been a big part of his life. Noah plays football, wrestles and runs track, and assists his father with lawn care, including mowing, weeding and mulching. At first, he was nervous wondering if he would be able to play sports again, but he is now on his way to recovery. I have always felt it was very important to stay current with the annual well-child visits for all my children. Licking Memorial Pediatrics staff is fantastic! They are very family-friendly and always very helpful in working me into the schedule when one of my children is ill.”

Community Events

Throughout 2019, Licking Memorial Health Systems (LMHS) employees and local residents were invited to numerous events that celebrated LMHS' achievements and areas of growth. These events informed the community about the healthcare environment, communicated our appreciation to community members, and highlighted some of LMHS' services. The events in 2019 included:

Corporate Breakfasts

The Licking Memorial Hospital (LMH) Development Council hosted four Corporate Breakfasts in 2019 to inform community leaders about LMHS' services and technology advances. The topics included a recap of 2018 at LMHS, the newly implemented nurse call light system, the importance of immunizations, and the dangers of vaping.

Corporate Breakfast

The Heart Truth: A Red Dress Event

LMHS celebrated women's heart health with The Heart Truth: A Red Dress Event on February 7 with guest speaker Nina M. Hourmouzis, M.D., of Licking Memorial Internal Medicine. Residents of Licking County were invited to this annual event in collaboration with the American Heart Association's "Go Red for Women Day," which was celebrated nationally on February 1. This event encourages women to make heart-healthy lifestyle choices. The red dress has become a national symbol to increase awareness of women's heart health.

Volunteer and TWIGS Recognition Dinner

LMH hosted the annual Volunteer Recognition Dinner on April 9 and the TWIGS Recognition Dinner on April 29 to show gratitude to the individuals who regularly devote their time to benefit the Hospital. In 2019, LMH volunteers processed nearly 123,000 items through special projects, made approximately 13,000 appointment confirmation telephone calls, delivered almost 53,000 newspapers, and assisted more than 11,000 patients and visitors by escorting them to their destination or by providing other assistance at the main Hospital and the clinics located at LMH – Tamarack and 1717 West Main Street. Volunteers also assisted with more than 2,500 messenger runs to various departments, delivered more than 750 web cards and flowers, and completed almost 4,400 Oncology Lab runs. Also in 2019, TWIGS donated \$147,998 to the Licking Memorial Health Foundation (LMHF), increasing their 70-year contribution total to more than \$5.6 million.

Cancer Survivors Picnic

LMH hosted the ninth annual Cancer Survivors Picnic on May 23 in recognition of National Cancer Survivors Day. LMHS President & CEO Rob Montagnese welcomed more than 200 guests, which included survivors and their families, caregivers and friends. Participants gathered on the Hospital Front Lawn to celebrate all cancer survivors for facing each day with courage, dignity, and serving as an inspiration to their community. Guest speakers included D'Anna Mullins, M.D., of Licking Memorial Hematology/Oncology, and Jeff Smith, LMH Director of Pastoral Care.

LMHS Summer Camps

LMHS staff devoted their time over the summer to educate local youth about various health topics in fun, outdoor day camp settings. On June 7, Camp Feelin' Fine hosted 30 children to learn more about asthma, manage their symptoms, and interact with others who also have the condition. On July 19, LMHS hosted Camp A1C, which is for children, ages 7 to 13, who have diabetes. Camp Med, which consisted of two days of interactive opportunities for high school seniors to learn about careers in healthcare, also was held in July. Camp Courage, held on August 2, was designed to help reduce anxiety about cancer for children, ages 7 to 13, who have had an encounter with the disease – whether personally or through a close friend or family member.

Cancer Survivors Picnic

"For Your Health" 5K Run/Walk and 1-mile Fun Walk

"For Your Health" 5K Run/Walk & 1-mile Fun Walk

More than 1,700 residents from Licking County and Central Ohio registered for the 12th annual LMHS "For Your Health" 5K Run/Walk & 1-mile Fun Walk at The Dawes Arboretum on July 27. The Honorary Chairs were The Hagele Family – Thomas Hagele, M.D., Courtney, Helena and James.

Resource Fairs

The LMH Development Council hosted three new resource fairs in 2019. In August, Caring for Aging Parents welcomed approximately 350 guests to gather information about care facilities and healthy living. Approximately 100 guests, including new parents, expectant mothers, fathers-to-be and grandparents, attended Preparing for Baby on September 19. Information booths, which filled the LMH First Floor Conference Rooms, included materials on nutrition, car seat safety, infant, child and family CPR, safe sleep, Kangaroo Care and breastfeeding. Kinship Care, which offered numerous community resources for grandparents raising grandchildren, was held in November and welcomed approximately 150 guests.

Kinship Care Resource Fair

Donor Appreciation Reception

During the Donor Appreciation Reception on September 23, the \$10,500 giving level piece of the Main Street Collection, a replica of Licking Memorial Urgent Care – Granville, was unveiled by Terrill Burnworth, D.O., of Licking Memorial Emergency Medicine.

Active Programs

In 2019, LMHS hosted six events as part of the Active•Fit Youth Wellness Program, which included Junior Chef, Health & Fitness Fest, Inflatable Fun Night, Mini-triathlon, Field Day and Bowling, which was a joint event with the Active•Senior Wellness Program. The Active•Senior Wellness Program also included a number of events, such as Bingo, a Dance, Game Show, Celebration, Brunch Walk and Gourmet Gardener.

Pastoral Care Breakfast

On October 17, LMH hosted the annual appreciation event for Licking County clergy and the presentation addressed the signs of suicide. The event annually invites clergy who have provided their services to patients and their families at the Hospital. The LMH Pastoral Care staff members are available to provide spiritual and emotional support as it relates to medical decision-making, patient rights and medical ethics.

Lifetime Achievement Reception

Each year, the LMH Development Council hosts the Lifetime Achievement Reception to recognize those whose actions provide a better quality of life for citizens of Licking County. On November 4, Mike and Barb Cantlin became the 33rd recipients of the Lifetime Achievement Award for their devoted leadership and involvement within the Licking County Community. Created in 1989, the Lifetime Achievement Award is the highest honor that LMH bestows each year. The 15th annual Mary Jane McDonald Building a Healthier Community Award was presented to West Licking Special Olympics in recognition of their dedication to offering individuals with special needs the opportunity to play organized sports, exercise regularly, and develop social and athletic skills.

Lifetime Achievement Reception

Community Outreach

Licking Memorial Health Systems (LMHS) is firmly committed to our mission to improve the health of the community. The best way to protect community health is to prevent injury and disease; therefore, LMHS devotes many resources to educating the public about healthier lifestyles and proper medical care. In addition, LMHS is committed to giving back to the community through support of local groups and events.

The public is informed of all LMHS programs and health trends through press releases, local media, social media, the bimonthly *Community Connection* magazine, monthly Quality Report Cards and an extensive website.

LMHS partnered with many local organizations throughout 2019 for various events, including American Red Cross blood drives, Active•Fit events, Active•Senior events and the "For Your Health" 5K Run/Walk and 1-mile Fun Walk. Most of LMHS' programs and screenings are offered free of charge. Others are provided at a nominal cost.

2019 events, programs and sponsorships include:

January

Events

Development Council

The Licking Memorial Hospital (LMH) Development Council is comprised of approximately 75 community members who bring diverse backgrounds and expertise to the committees on which they serve. Since 1987, the Development Council has operated with the mission to increase charitable giving to LMH, and to enhance and promote meaningful community relations resulting in the Hospital's ability to meet community needs and better serve its publics.

The LMH Development Council operates under the guidance of Licking Memorial Health Foundation (LMHF), a not-for-profit corporation that conducts fundraising activities to benefit and support the Hospital. LMH is financially sound, but remains subject to financial challenges, including government cutbacks in Medicare and Medicaid reimbursements, revenue shortfalls, and the continuing cost of charity care. Donations to LMHF provide for capital needs, services and programs at LMH that may otherwise go unfunded.

Employment

Licking Memorial Health Systems (LMHS) has provided employment opportunities for Licking County residents for more than 122 years. LMHS is the primary healthcare provider in Licking County and has an established reputation as the community's leading healthcare provider. This distinction is largely due to the dedication of LMHS' 2,000-plus employees who serve diligently to improve the health of the community.

LMHS has high standards for its employees and believes in recognizing and rewarding their accomplishments through various celebrations, including monthly Dining with the Stars recognition breakfasts and luncheons, bimonthly employee birthday events, and annual recognition events, as well as daily on-the-spot and peer recognition programs. LMHS also offers a comprehensive benefits package that includes a retirement savings plan with a generous employer contribution, tuition assistance, free uniforms and free access to a new employee wellness center, as well as excellent health, dental and vision insurance.

121 Years of Caring at LMHS

In January 2019, employees celebrated 121 years of providing quality health care to the community with a donation-themed celebration. Divided into interdepartmental teams, a friendly competition occurred to determine which groups could donate the largest quantity of cold weather items in pounds, and the most monetary donations. After all items were weighed, contributions equaled 187.3 pounds of cold weather items (outerwear, blankets, etc.), while monetary donations reached \$10,669.36. The collected goods were donated to the Center for New Beginnings and The Salvation Army of Licking County to help needy individuals and families of Licking County stay warm during the cold winter months.

National Doctors' Day

National Doctors' Day provides the opportunity to honor physicians throughout the U.S. each year who guide and treat patients to positively impact their health. During the month of March, LMHS celebrates the LMH Active Medical Staff and their dedicated service. Patients from the community also are invited to recognize physicians by giving a donation to LMHF in their physician's honor. Physicians were treated with an honorary breakfast, a gourmet lunch and complimentary massages for their dedication to the health of the community. The LMH Active Medical Staff includes approximately 166 physicians and 48 consulting physicians who provide their expertise and care to the community.

Employee Wellness Center

LMHS celebrated the new Employee Wellness Center with a ribbon-cutting ceremony and open house in February. The new facility, located at 1935 Tamarack Road, is free for all employees and their spouses, medical staff, and board members to use. It is accessible 24 hours per day and offers 3,000 square feet of space, bathrooms with showers and lockers, an open fitness class area, flat-screen televisions, and a variety of exercise equipment including:

- Elliptical machines
- Treadmills
- Recumbent cross trainers
- Upright bicycles
- Recumbent bicycles
- Dumbbells
- Weight machine
- Rowing machines
- Decline bench
- Exercise mats

Employee Wellness Center

Employee Recognition Event

LMHS employees who observe anniversaries in five-year increments in 2019 were invited to the John Gilbert Reese Center at The Ohio State University at Newark campus for the annual LMHS Employee Recognition Event, which featured a game show theme and offered honorees an opportunity to win prizes. The 248 honored employees represented 2,790 combined years of service.

Steve Snow Recognized for 50 Years of Service

Retiree Dinner and Luncheons

In 2019, retired LMHS employees were invited to two Retiree Luncheons held at the DoubleTree by Hilton in March and September. In addition, the 23rd annual Retiree Dinner was held in the LMH Café in July.

Hospital & Healthcare Week

During the annual observance of National Hospital & Healthcare Week in May, LMHS paid tribute to the 2,000-plus employees who contribute to the organization's award-winning care. The five-day celebration in May included a variety of wellness activities such as yoga, healthy eating tips, an employee health fair, ice cream deliveries to outbuildings, an employee bingo event, an employee recognition event, and a cookout including mini-golf, basketball, corn hole, caricature drawings and a sundae bar. Special employee recognition awards were given throughout the week including the Clarissa Ann Howard Nursing Award for Clinical Excellence, Manager of the Year and MVP awards.

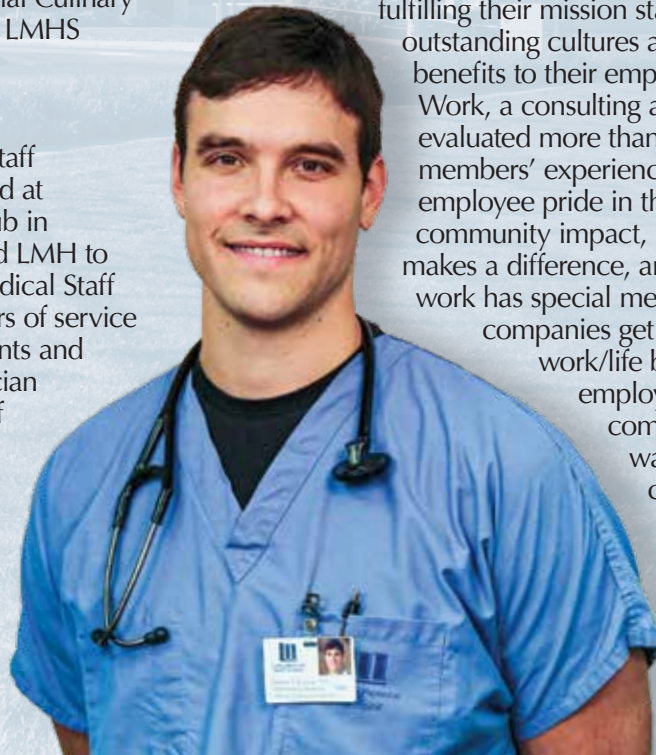

43rd Annual Holiday Party

In December, all LMHS employees, board members, TWIGS members, volunteers, and physicians were invited to enjoy a delicious complimentary meal of favorite holiday foods prepared by Licking Memorial Culinary Services staff and served by LMHS leadership.

Medical Staff Dinner

The annual LMH Medical Staff Recognition Dinner was held at Moundbuilders Country Club in October. The event allowed LMH to show its appreciation to Medical Staff members by presenting years of service awards in five-year increments and announcing the 2019 Physician of the Year. The recipient of the award, Matthew Bromley, D.O., of Licking Memorial Emergency Medicine, was announced at the dinner that included physicians from over 30 specialty practices.

Physician of the Year
Matthew Bromley, D.O.

121 Years of Caring at LMHS

LMHS Named One of the Nation's Best Places to Work in Healthcare

LMHS has been named one of the nation's Best Places to Work in Health Care and Biopharma by *Fortune* and Great Place to Work®. The list recognizes hospitals, health systems, healthcare companies, and biopharmaceutical companies that promote diversity within the workforce, employee engagement and professional growth, while also fulfilling their mission statements, creating outstanding cultures and offering competitive benefits to their employees. Great Place to Work, a consulting and research firm, evaluated more than 50 elements of team members' experience on the job including employee pride in the organization's community impact, belief that their work makes a difference, and a feeling that their work has special meaning. The top companies get the highest marks for work/life balance, and whose employees actually love coming to work. LMHS was recognized for its commitment to employees and facilitating close relationships among coworkers.

LMHS also was recognized for the wide range of offered services, including emergency medicine and home health care. Great Place to Work based its ranking on a data-driven methodology applied to anonymous Trust Index™ survey responses from more than 95,000 employees at Great Place to Work-Certified organizations in Health Care and Biopharma.

LMHS Recognized as a Great Place to Work

For a sixth year, LMHS was named to *Modern Healthcare's* Best Places to Work in Healthcare, a listing of the nation's top 100 healthcare-related employers. The recognition honors workplaces throughout the healthcare industry that empower employees to provide patients and customers with the best possible care, products and services.

43rd Annual Holiday Party

Fundraising

Charitable donations help Licking Memorial Health Systems (LMHS) proactively respond to the growing healthcare needs of the community through the incorporation of the latest technological advances. To generate funds for equipment purchases, capital expenses and facility improvements, the Licking Memorial Hospital (LMH) Development Department works diligently to raise contributions to Licking Memorial Health Foundation (LMHF). The contributions provide capital for projects and programs that may otherwise go unfunded and are not used for salaries or general operating expenses.

In 2019, LMHF supported the expansion project at the Licking Memorial Medical Campus, located at 1717 West Main Street in Newark. The 32,210 square-foot addition to the medical building serves as the new location for Physical, Occupational and Speech Therapy services, Dermatology, Gastroenterology and Gynecology physician offices, and an expanded Wellness Center. In addition, an increased parking area and an access road from Terrace Avenue were included in the project.

Community Cornerstone Club – The Community Cornerstone Club is comprised of individuals and businesses who contribute \$100 or more to LMHF. In 2019, the Cornerstone Club had 186 members who raised \$39,895 toward the Licking Memorial Medical Campus expansion. Donors receive a Main Street Collection recognition piece at each \$500 milestone of giving. The 2019 addition to the Main Street Collection, a replica of Licking Memorial Urgent Care – Granville, recognized donors who have reached the \$10,500 level of giving.

The Caduceus Society – Physicians have a special opportunity to lend financial support through The Caduceus Society, which is a prestigious giving level for physicians who pledge a gift of \$10,000 or more over a period of 10 years. New members in 2019 included: Dr. Rachel DeMita and Family; Dr. Shawn L. Reed; Michael Sniderman, M.D., and Samantha Gendelman, M.D.; and Pattye Whisman, M.D. The Caduceus Society has a total of 88 members.

The William Schaffner Society – The William Schaffner Society gained eight new members in 2019 – Leah and Tom Argyle, Jessica Clark and Family, Brad Copley and Family, Kim and John Frick, Sandra D. Hanlon, Tracy M. Peek, Tynisha N. Strickland, R.N., and Angela and Michael Wallace. The William Schaffner Society, which

was created in memory of William Schaffner – the first chairman of the Licking County Hospital Commission, now has 125 members who have pledged a minimum of \$10,000 over 10 years.

Golden Corporate Honor Roll – The Golden Corporate Honor Roll distinguishes companies which have made a total commitment of \$10,000 or more to LMH. Participation in this program signifies the company's alliance with the Hospital to ensure the continuation of excellent healthcare services. The Golden Corporate Honor Roll has a total of 13 members.

The John Alford Fellowship – In 2019, Timothy R. Gatens, M.D., joined the The John Alford Fellowship, which now has a total of 40 members. The John Alford Fellowship was created to memorialize the extraordinary commitment

of LMH's long-time supporter, John W. Alford. Members pledge a minimum of \$25,000 over 10 years.

Platinum Circle – The Platinum Circle is reserved for LMHF's business and corporate donors who have contributed a minimum of \$25,000. These gifts enable LMH to purchase new equipment and provide additional services to meet the healthcare needs of the residents of Licking County. The Platinum Circle has a total of 13 members.

Benefactor Level – Benefactors are special friends of LMH, both individuals and businesses, who support the LMHS mission to improve the health of the community by donating \$50,000 or more. LMHF has 14 Benefactor Level contributors, including nine individuals and five corporations. Stephen Pickstone, M.D., and

The William Schaffner Society
Tynisha Strickland, R.N.

Founder Level
Robert and Lauren Montagnese

Family, Cindy and Thaddeus Webster, and the Willard E. Smucker Foundation joined this prestigious group in 2019.

Founder Level – Founder Level members are altruistic individuals who have made outstanding contributions to LMHF by providing gifts of \$100,000 or more. LMHF is fortunate to have 21 Founder Level memberships after commitments in 2019 from Robert and Lauren Montagnese and Lou Reese.

LMH Golf Gala – The annual LMH Golf Gala took place at the Denison Golf Club on September 9, with Jill, Andrew and Luke Guanciale serving as honorary chairs. The team of Jeff Bare, D.O., Andrew Terlecky, D.O., LMHS Vice President Physician Practices Greg Wallis and Thom Wood, M.D., secured first place in the tournament. This year's **Club Sponsor (\$7,500)** was Denison University. **Ace Sponsors (\$5,000)** included Frontier Remodeling Co. Inc.; John Hinderer Honda; Matesich Distributing Company; MedBen; Park National Bank; Stedman Floor Co., Inc.; and Surgical Interventions, LLC. **Eagle Sponsors (\$2,500)** included AssuredPartners; Claypool Electric;

Columbus Springs Hospitals; Corna Kokosing Construction; Courtesy Ambulance, Inc.; Delta Dental; The Energy Cooperative; Gutridge Plumbing, Inc.; Henderson ~ Van Atta ~ Stickle Funeral & Cremation Service; The Jerry McClain Companies; Dr. Donald G. (deceased) & Patsy Jones; Kessler Sign Company; Limbach Company, LLC; Mill Tech, LLC; Northpoint Ohio Architecture; PNC Bank; Robertson Construction; Scott Peterson of General Graphics; SmartBill, Ltd.; US Foods; Vocera; and Waste Away Systems. The **Divot Sponsor (\$1,500)** was Ultimate Software, the **Driver Sponsor (\$1,500)** was Coughlin Chevrolet in Pastaskala, the **Fairway Sponsor (\$1,500)** was the Laurels of Heath, the **Games Sponsor (\$1,500)** was OhioHealth, the **Links Sponsor (\$1,500)** was Greenfield/Lewis Investment Counsel, and the **Pro Sponsor (\$1,500)** was Griffin's Floral & Wine Shop. **Birdie Sponsors (\$1,000)** included Anomatic Corporation; Brett Lowe Mechanical, Inc.; Bricker & Eckler, LLP; Craig Cairns, M.D.; Central Ohio Technical College & The Ohio State University at Newark; Claro Healthcare; Jill, Andrew and Luke Guanciale; Heckman's Lawn Service; Hospice of Central Ohio; Interim Healthcare of Newark; NBC4; Pressworks; Reese Pyle Meyer PLL; 89.3 The River; Rotary Club of Newark, Ohio; Staples Business Advantage; Sunny 95; TAD Sports; TrueCore Foundation; United Collection Bureau; and WHIZ Media Group. A total of 127 golfers played in the 2019 Golf Gala, which raised more than \$177,000.

PRIDE – Employees have a special opportunity to support LMHS with charitable contributions through payroll deductions to PRIDE (Providing Resources in Dedicated Employees). As of December 2019, PRIDE had 794 members. Since 1987, PRIDE contributions have raised more than \$3 million.

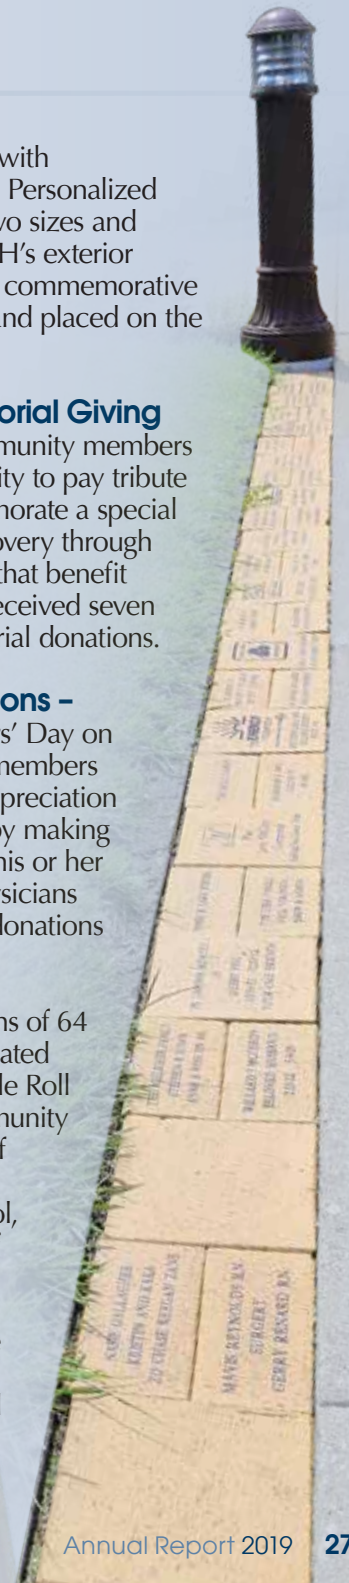

Paving Our Future Commemorative Bricks – The LMH Development Council offers a distinctive way to recognize family members,

friends or organizations with commemorative bricks. Personalized bricks are available in two sizes and are placed in one of LMH's exterior walkways. A total of 15 commemorative bricks were purchased and placed on the grounds in 2019.

Honorary and Memorial Giving Program – Many community members appreciate the opportunity to pay tribute to a loved one, commemorate a special event or celebrate a recovery through monetary contributions that benefit LMH. In 2019, LMHF received seven honorary and 64 memorial donations.

Doctors' Day Donations – In recognition of Doctors' Day on March 30, community members are invited to express appreciation for a favorite physician by making a donation to LMHF in his or her name. A total of 38 physicians were honored through donations in 2019.

Cradle Roll – The births of 64 babies were commemorated through gifts to the Cradle Roll program in 2019. Community members offering gifts of \$150 to \$249 receive a handcrafted step-up stool, while those with gifts of \$250 or more receive a handcrafted child-size rocker. The name of the baby and donor are placed in the Cradle Roll log in the LMH Main Lobby for any gift of \$25 or more.

TWIGS

Since 1950, local TWIGS (Togetherness, Willingness, Imagination, Giving and Sharing) committees have donated more than \$5.6 million toward equipment and capital purchases at LMH. They raise funds year-round through sales and special events. In 2019, TWIGS contributed \$147,998 to the Hospital.

There are four active TWIGS Committees that continue to support LMH. In recognition of their efforts, an annual dinner is held each spring. The current Chairs of the individual TWIGS Committees are: Lynne Rotruck – TWIGS 6, Peg Dunlap – TWIGS 8, Sharon Wills – TWIGS 13, and Janet Wells – TWIGS 24. Members of the TWIGS Executive Board are: Steve Schlicher (middle left), Chair and Corresponding Secretary; Lynne Rotruck (left), Vice Chair and Assistant Treasurer; Darlene Baker (right), Treasurer; and Diane Martin (middle right), Recording Secretary. For information about becoming a TWIGS member, please call (220) 564-4084.

Volunteers

In 2019, an average of 186 volunteers donated 27,186 hours of their time to perform many tasks that range from assisting at special events and transporting laboratory samples to helping visitors find their destination. LMH is grateful for each volunteer and their service to help improve the health of the community. In recognition of their service, an annual dinner is held each spring that also announces the Donald Day Volunteer of the Year award. The 2019 recipient for the award was Diana Hufford. Members of the Volunteer Executive Board are: Sue Hopper (right), President; Julie Krouse (left), Vice President; Karen Hamilton (middle left), Recording Secretary; and Pam Sturm (middle right), Corresponding Secretary.

2019 Donors

Every donation, regardless of amount, that benefits Licking Memorial Hospital helps our mission to improve the health of the community. Many gracious community members chose to honor friends, family members or physicians, or remember loved ones with a monetary gift to Licking Memorial Health Foundation in 2019. Donations may be restricted to a specific program or service or allocated to the general account, allowing Licking Memorial Health Systems to use the gift for the most urgent need. All gifts are tax-deductible to the extent allowed by law. For more information, please contact Veronica Patton, Vice President Development & Public Relations, at (220) 564-4101.
